

Government of the People's Republic of Bangladesh
Dhaka Transport Coordination Authority (DTCA)
Office of the Project Director
Clean Air and Sustainable Environment (CASE) Project
Nagar Bhaban (Level-12), Fulbaria, Dhaka-1000

Memo: DTCA/CASE/Tr.Ad./56(P-2)/2015- 252

Date: 15-12-2016

Request for Expression of Interest (EOI)
For
Transport Advisor (International Expert)

The People's Republic of Bangladesh received a credit from the International Development Association (IDA) towards the cost of the Clean Air and Sustainable Environment (CASE) Project to be implemented by Dhaka Transport Coordination Authority (DTCA), Dhaka City Corporation (DCC) and Department of Environment (DOE) and it intends to apply part of the proceeds of this credit to payment for the provision of consultancy services for the DTCA by hiring a Transport Advisor (International Expert).

2. Objective

The Consultant will be required to provide advisory services to DTCA for strengthening its capacity to become functionally effective as a planning entity and coordinating body for public transport in Dhaka city toward achieving the goals and objectives of the revised Strategic Transport Plan (STP) approved by the Government.

3. Scope of Services

Public Transport Advisor will specifically be responsible for the following functions:

- (i) Advise DTCA on planning and policy issues on urban transport sector for Greater Dhaka Area.
- (ii) Assist the Project Director of CASE Project (DTCA Component) to finalize the BRT 3 Detail Design and reviewing reports, drawings and tender documents to ensure quality of the deliverable, etc.
- (iii) Detail Technical Analysis of Phase-1 Implementation Plan of BRT Line – 3 which will also include Operational Plan, Depot Plan, Shuttle Service Plan and Cost Estimation etc.
- (iv) Review the franchising proposal and advise DTCA
- (v) Prepare necessary documents in transport related issues when required by DTCA
- (vi) Carry out the above services in the best interest of the government with reasonable care, skill and diligence with sound engineering, administrative and financial practices; and
- (vii) Coordinate tasks with other members/consultants in the DTCA.

4. Qualification and Experience

The Transport Advisor (TA) should have at least a Master degree in Transport Planning/ Transport Engineering / equivalent degree.

- He/She should have effective work on international projects for a period of no less than 10 years, of which at least 2 years are directly related to Bus Rapid Transit.
